WELCOME TO SPENCER MIDDLE SCHOOL

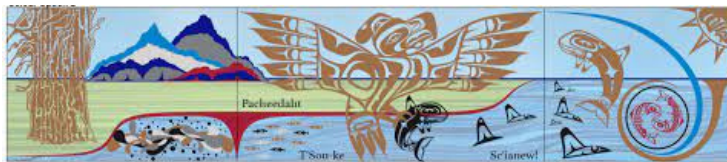

Spencer Middle School is one of five middle schools in the Sooke School District and is located in the heart of the City of Langford. It first opened its doors in 1977 and has welcomed students and staff ever since. Spencer staff asked the school community (students, staff, families) what values were most important. In that process, we identified four overarching values: **Empathy, Honesty, Kindness,** and **Respect.** These values now provide the foundation for how we encourage our school community to interact and are embedded within our code of conduct.

In alignment with the overall goals and aspirations of SD 62, at Spencer we acknowledge the middle years represents the defining period when young adolescents explore their beliefs, their values and their place in the world. We encourage you to explore the middle years philosophy, as posted on our website.

To start the school year, we will have 650 Spencer students. We also welcome the grade six students and staff from Centre Mountain Lellum to start the year. In order to help build community, connection and belonging, the school is divided into eight cross-grade groups, or 'Families'. These family names are derived from the natural ecosystem surrounding us and are represented in both English and the local SENĆOŦEN Language: Raven (SQTO); Orca (KELĻEMEĆEN), Deer (SMÍET), Dragonfly (FEM, FEM, X̱YO, ES), Swan (SW, EUḴEN), Wolf (STḴAA̱YE), Otter (SKAEṮ), and Eagle (QELEŅSEN) – we encourage you to learn how to say your family name in Sencoten!

At Spencer we pride ourselves on building an inclusive, equitable, safe culture and community, where all students feel a sense of belonging and purpose. We are highly appreciative of the skilled and dedicated staff who work with amazing middle years students every day. Let's have a great year!

Sooke District Schools would like to acknowledge the traditional territories of the Coast Salish, specifically Esquimalt Nation and Songhees Nation on which Spencer Middle School is built; and the nations SD62 works with Beecher Bay, Scia'new Nation, T'Sou-ke Nation, and Nuuchahnulth Pacheedaht Nation to the west. We recognize the territory and nation. We thank them for sharing this beautiful land.

PRINCIPAL'S MESSAGE

Welcome to the 2022-23 school year. I am thrilled to be returning to Spencer Middle School as principal. I look forward to continuing to work with this fabulous school community, consisting of students, staff and parents/guardians.

I have taught in Sooke School District since 2004 and have spent the majority of my career in middle schools. I was the former Vice-Principal at Spencer for five years before becoming a principal at a local elementary school. I took over at Spencer as Principal in February 2022. Prior to becoming an educator, I spent several years working for human rights and democracy-building organizations in Southeast Asia (Indonesia) and in Oceania. I speak English, French and Bahasa Indonesia and love meeting people from other cultures and countries.

This year will be an exciting one for Spencer for many reasons. Besides myself, the Principal-Vice-Principal Team consists of **Laura Lancaster (students M-Z)** and **Rob McAllister (students A-L)**. We also are welcoming the Centre Mountain Lellum (CML) Grade 6 students, staff and Vice-Principal, Pam Gerrits, to our school to start the year until they can get settled in their new school. We look forward to including them in our school community and culture.

I am fortunate to be surrounded by amazing people in our school and district. The staff at Spencer Middle School are outstanding educators and love working with such an incredible group of students. We truly care for the students and will do our best to create a culture where everyone feels like they belong, are included, and are safe.

I believe a healthy school community is one where parents are involved in the school and we stay connected. I encourage you to get involved with the Parent's Advisory Council and your child's teacher regularly. I will send home a weekly "Spencer News" email update. Please contact me if you have any ideas, questions or concerns. Thank you for your support.

Sincerely,

Jen Nixon

EXPLORATORIES & PROGRAMS

The middle years are a time for students to explore. At Spencer, we offer a variety of programs to help students get the most out of their middle school experience. Whether it is through extracurricular opportunities, such as Athletics or Clubs, or through our school programming, there is something for everyone at Spencer.

In addition to the regular areas of learning, students at Spencer will also have a variety of exploratory options. Students do not choose these options, but are assigned to them with the idea that by the end of grade 8 they will have had many opportunities. Students may also choose to do Band 7 or 8 instead of these exploratory rotations. Here are our Arts and Applied Designs & Skills Technologies Exploratory options for 2022-23.

EXTRA-CURRICULAR OPTIONS

At Spencer, we have a successful Athletics Program and about 1/3 of students participate in athletics. We also have robust music programs. All students will receive music, percussion or guitar in 2022-23, and some students will choose Band. In addition, there are often extra curricular music clubs, such as musical theatre, choir, and percussion, which sometimes run during lunch break.

We have many lunchtime or afterschool clubs that students can be involved in that vary from year to year. Some examples of clubs include: Cheer, Run, Study, Chess, GSA, Games, Robotics and many more. A key to success at middle school is to get involved - so we hope you get involved with some of the great extra-curricular options we offer!

CLUB

CODE OF CONDUCT

A “Code of Conduct” is a statement about how we work together. It outlines both our rights and our responsibilities as members of Spencer Middle School. A committee of students, parents, and school staff developed our “Code” in accordance with School District 62 Policy and the B.C. Human Rights Code. Information was collected from all groups and put together to make the Code of Conduct. Embedded within this code of conduct are the four Spencer values:

Empathy, Honesty, Kindness and Respect.

A SAFE AND CARING COMMUNITY

Spencer Middle School is a safe and caring school. As members of this school community we have a responsibility to act in ways that are free of:

- Bullying, harassment, threat and intimidation;
- Physical violence and/or violence of any form;
- Verbal, physical, cyber or sexual abuse;
- Discrimination, especially based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age (BC Human Rights Code);
- Theft, vandalism and general mischief.

Our safe and caring school environment does not tolerate the presence of:

- Intoxicating substances (such as alcohol or non-medicinal drugs);
- Weapons and explosives, regardless of whether real or replica;
- Intruders or trespassers;
- Smoking, vaping or associated paraphernalia.

CODE OF CONDUCT (CONTINUED)

ACCEPTABLE CONDUCT

Students are expected to:

- treat our environment and each other with kindness and care, empathy, honesty and respect.
- actively participate through effort and punctual, regular attendance, in their assigned education program.
- respect the rights and property of all Spencer staff and students.
- comply with classroom expectations set by individual teachers in order to ensure that all students' rights to effective and efficient learning environments are respected.
- wear clothing that is appropriate for an educational environment.
- respect all school and school related events and ensure they are free from use of restricted substances, weapons and of intimidation.
- respect and use school computers and technology appropriately.
- turn off cell phones and store in lockers throughout the day.
- stay on campus throughout the entire day.

UNACCEPTABLE CONDUCT

- Students will not interfere with the learning or learning environment of others.
- Students will not display behaviour that includes bullying, harassment, intimidation, or be racially, ethnically, or sexually prejudiced.
- Students will not steal, smoke, vape or be in possession of, or under the influence of, drugs or alcohol while on the school property or in attendance of any school events.
- Students will not plagiarize (copy) electronic or print media or other students' work or display any academic dishonesty.
- Students will not be involved in any acts of verbal or cyber-hate messaging/cyber-hate websites.
- Students will not be involved in any illegal acts such as assault, theft/vandalism or damage to property.

We use restitution approaches and progressive discipline to deal with challenges students may face on a case by case basis.

STUDENT ATTENDANCE

Attendance Email: spencermiddleschool@sd62.bc.ca

Phone Number: 250.474.1291 extension 0

Student success is directly related to attendance. In other words, we want students here at school! Regular and punctual student attendance is foundational to student success and engagement. Consistent attendance is the responsibility of the student and parent/guardian, but we can help support you along the way.

If a student will be absent or late, please let the office know using our email or phone systems. Absence(s) due to illness or other extenuating circumstances needs to be confirmed by the caregiver by telephone or email, prior to the absence or upon the student's return to school for the absence to be considered "excused."

A student requiring an early dismissal due to illness or for appointments during school hours will need to provide a written or telephone notice before checking out through the general office. Please give us advance notice prior to picking up your child early.

It is expected that a parent(s)/guardian(s) of students will monitor their attendance by checking the MyEducationBC Family portal and consult their teacher, a counsellor or administrator if assistance or advice is needed.

Spencer is a "closed campus" meaning once students arrive on school grounds, they may not leave without involvement of a parent/guardian. Students may not leave school grounds during recess or lunch break.

We want to support you and your child before attendance issues become a concern.

Continued truancy/unexcused absence may result in:

- a meeting where student and parent(s)/guardian(s) are required to attend with the Principal and/or the Vice-Principal to explore solutions to address attendance.
- potentially not meeting the required Learning Standards and impacting grades.
- non-disciplinary actions to support student via a referral to School or District-Based Team to access supports.

RESOLVING CONCERNS

From time to time you may need assistance, support or to share a concern. We appreciate if you reach out to us directly if you have a concern, idea or question.

- As a general guideline, communication should remain as close to the 'source' as possible. For example, if the topic pertains to something within the classroom, speak to the classroom teacher.
- See the [Steps to Resolve a Concern](#) outlined on the SD 62 website as to where to start in dealing with any concerns that you might have.

FINANCIAL SUPPORT

We never want our students or families to miss out on opportunities. If you need school supplies, or wish to be part of our food programs, please contact us. We have a drop-in Breakfast Program, a cold lunch program (limited available so on a sign-up system) and Backpack Buddies so students can bring home a bag of food for the weekend. We also have student backpacks full of school supplies. As well, if a field trip is out of reach financially, please speak with your teacher and we will make sure your child doesn't miss out. Just contact us and we can help.
